Provincial Supply Chain Coordination Unit

COVID-19 Supply Hub Customers,

I'm pleased to let you know that we are now able to offer **significant discounts on bulk orders** of Personal Protective Equipment (PPE) and cleaning supplies through the Province's [COVID-19 Supply Hub](#).

The Supply Hub continues to hold large inventories of critical products including masks, gloves, gowns, goggles, face shields, industrial cleaner, disinfectant cleaner and wipes, bleach, hand sanitizer and trigger sprays.

Purchases made by the pallet will see price **discounts of between 14 - 54%**, depending on the product. This approach allows us to continue meeting our Supply Hub clients' critical supply needs while we work to reduce large inventories that we won't require once the pandemic is under control.

Find more information on pallet volumes and pricing below.

As we continue our sales through to summer, we can accommodate organizations of all sizes, looking to build up supplies for the duration of this pandemic, and beyond. There are currently no quantity restrictions on orders.

If you are interested in taking advantage of our discount bulk pricing please email COVID19request@gov.bc.ca and a customer service representative will contact you as soon as possible to work out the details of your order.

Sincerely,

A handwritten signature in black ink, appearing to read 'Leon Gaber'.
